5-Star First National Bank Soars Above the Competition

July 2010: It is with great pride that **BAUERFINANCIAL, Inc., Coral Gables, Florida,** announces that **First National Bank, Midland, Texas** has earned its highest 5-Star Superior rating for strength and stability. The past few years have been extremely difficult for the banking industry and the fact that First National Bank continues to excel in such areas as capital adequacy, delinquent loan levels and profitability, clearly indicates it is one of the strongest banks in the country.

“With a full ten percent of the nation’s banks now on the FDIC’s “problem” list and even more on ours,” notes Karen L. Dorway, president of BAUERFINANCIAL, “the fact that First National Bank continues to not just withstand the pressures, but even excel in this environment, indicates its management is doing things right. Bauer’s stringent 5-Star requirements haven’t changed, but the climate definitely has and the fact that First National Bank has earned this prestigious rating sets it well above the competition.”

First National Bank was established in 1998 and has been serving the banking needs of its neighbors and friends for 12 years. It currently operates through seven conveniently located offices in Amarillo, Lubbock and Midland and can be found on the internet at www.fnbmidland.com.
